Xerox® VersaLink® Printers and Multifunction Printers

Configurable, connected and highly capable.

B400/B405

Xerox® VersaLink® B400 Printer and Xerox® VersaLink® B405 Multifunction Printer

Whether stand-alone or as a part of your extended fleet, the Xerox® VersaLink® B400 Printer and Xerox® VersaLink® B405 Multifunction Printer take your team to new levels of productivity becoming true workplace assistants. Work the way you want — from any device — with maximum security and easy connectivity to and from both cloud and network-based locations.

EASY, OPTIMIZED PRODUCTIVITY.

Right out of the box, you'll count on your Xerox® VersaLink® B400 Printer or VersaLink® B405 Multifunction Printer to make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go — hassle free. And count on day in, day out reliability thanks to our trusted paper path technology.

VersaLink® devices are loaded with features designed to reduce inefficiency. Device management and user training can be done anywhere with the time-saving Remote Control Panel. Ensure information accuracy with Scan and Fax Preview¹, and do more with scanned documents with built-in optical character recognition (OCR).

The most security-minded businesses and governments choose Xerox. We offer a comprehensive approach to print security that includes a powerful mix of built-in features and services that mitigate risk through a vigorous focus to prevent unauthorized access, detect suspect or malicious behavior, and protect data and documents.

AN ENTIRELY NEW WAY TO WORK.

The customizable 5-inch color touchscreen allows you to breeze your way through tasks with mobile-like ease.

Xerox® ConnectKey® Apps, accessed via the extensive Xerox App Gallery, provide expanded functionality — like the optional Xerox® Easy Translator Service app, which quickly translates scanned documents into numerous languages. Get more done in less time by creating customized 1-Touch Apps¹ to automate multi-step workflows for individuals or groups. Simply tap your new app to quickly perform the job you configured.

And with Simple ID, individual users and groups enter a user ID and password once to experience fast, secure access to task-specific presets and commonly used apps on a personalized home screen.

UPWARD MOBILITY FOR EVERY WORK STYLE.

The VersaLink® B400 Printer and

VersaLink® B405 Multifunction Printer give you the freedom to work where and how you want — with access to Google Drive™, Microsoft® OneDrive® and DropBox™ and additional options through the Xerox App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink® devices meet the challenge with Apple® AirPrint®, Xerox® Print Services plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria® plus optional Wi-Fi and Wi-Fi Direct.

Learn more about why Xerox is the only choice for today's mobile professionals by visiting www.xerox.com/Mobile.

ENVIRONMENTAL STEWARDSHIP.

VersaLink® devices meet or exceed the requirements of the world's most widely recognized certifications for product environmental performance, including EPEAT®, which verifies manufacturer

claims regarding design, production, energy use and recycling. (See the complete list of EPEAT-verified VersaLink® products.) For more information about our environmental, health, safety and sustainability efforts, visit www.xerox.com.

XEROX[®] CONNECTKEY[®] TECHNOLOGY.

Intuitive User Experience

A familiar way to interact that includes a tablet-like experience with gesture-based touchscreen controls and easy customization.

Mobile and Cloud Ready

Instant connectivity to cloud and mobile devices right from the user interface, with access to cloud-hosted services that let you work where, when and how you want.

Benchmark Security

Comprehensive security that includes a powerful mix of built-in features and services to prevent unauthorized access, detect suspect or malicious behavior, and protect data and documents.

Enables Next Generation Services

Easy integration of Xerox® Intelligent Workplace Services. Enables remote monitoring of service delivery and consumables.

Gateway to New Possibilities

INTRODUCING TOUCHSCREEN SUPERIORITY.

Meet our tiltable, 5-inch capacitive color touchscreen — the user interface that sets a higher standard for customization, personalization and versatility.

By presenting a familiar "mobile" experience — with support for gestural input and task-focused apps that share a common look and feel — fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and center. Don't like where a function or app is located? Customize the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink® B400 Printer or VersaLink® B405 Multifunction Printer get more work done, faster.
